There's more than one way to use our software products

We made sure launching an iGaming brand is quick and easy.

That is why we offer a number of software solutions.

Core online casino and sports betting software products are **delivered in a number of formats and combinations.**

With these packages you get licensing, payments, and operational services.

WHITE LABEL CASINO

SOFTSWISS
WINNING COMBINATION

Join the biggest White Label provider in iGaming

The **SOFTSWISS White Label casino** covers all the bases you need to go to market fast:

- ◆ Fully localised online casino platform
- ◆ Active gambling licences
- ◆ Integrated payment systems
- ◆ Up-to-date game portfolio
- ◆ Flexible bonus system, tournaments, and more
- ◆ Affiliate management system (Affilka, NetRefer, or Income Access)
- ◆ Dedicated server hosting and regular software updates

WHITE LABEL SPORTSBOOK

SOFTSWISS
WINNING COMBINATION

If sports betting is your niche, consider the White Label Sportsbook

The solution comes packed with the components you need to succeed quickly:

- ◆ Curacao licence
- ◆ Integrated payment systems
- ◆ 1,200 unique markets, 200+ sports, including esports
- ◆ Exclusive bonuses
- ◆ Dedicated CMS, PAM, and back office
- ◆ Extensive player segmentation
- ◆ Full-cycle player care, and solid risk management
- ◆ Betting odds from leading odds providers – Betradar and Oddin.gg

◆ **SOFTSWISS CRYPTO CASINO**

Secure your spot in the high-yield domain of crypto

The SOFTSWISS Crypto Casino Solution was the first-of-its-kind software platform to launch a crypto-friendly casino with instant crypto transactions and high security:

- ◆ №1 provider in Crypto iGaming
- ◆ 10+ crypto currencies supported
- ◆ In-Game Currency Conversion (enables all 180+ game providers for crypto play)
- ◆ Crypto-friendly game providers
- ◆ Attractive processing fees via CryptoProcessing by CoinsPaid
